TWOCO PETROLEUMS LTD.
MANAGEMENT INFORMATION CIRCULAR
FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 5, 2007
SOLICITATION OF PROXIES

This Management Information Circular is furnished in connection with the solicitation of proxies by or on behalf of the management of Twoco Petroleum Ltd. ("**Twoco**" or the "**Corporation**") for use at the Annual and Special Meeting of the holders ("**Shareholders**") of common shares ("**Common Shares**") of the Corporation (the "**Meeting**"). The Meeting will be held in the President's Room of the Calgary Petroleum Club, 319 - 5th Avenue S.W., Calgary, Alberta, T2P 0L5 on Tuesday, June 5, 2007 at 10:00 a.m. (Calgary time) for the purposes set forth in the Notice of Annual and Special Meeting accompanying this Management Information Circular (the "**Notice**"). It is expected that such solicitation will be primarily by mail. Proxies may also be solicited personally by officers of the Corporation at nominal cost. The information contained in this Management Information Circular is given as of May 8, 2007, except where otherwise indicated.

APPOINTMENT OF PROXY

Those Shareholders who wish to be represented at the Meeting by proxy must complete and deliver a proper form of proxy to the Corporation's transfer agent (the "**Transfer Agent**"), CIBC Mellon Trust Company, P.O. Box 721, Agincourt, Ontario, M1S 0A1, Attention: Proxy Department, in the enclosed self-addressed envelope. In order to be valid, proxies must be received by the Transfer Agent at least forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the Meeting or any adjournment thereof.

The persons named as proxyholders in the enclosed form of proxy are directors or officers of the Corporation (the "Management Designees"). A Shareholder desiring to appoint some other person as his or her representative at the Meeting may do so either by inserting such person's name in the blank space provided in the form of proxy or by completing another proper form of proxy and, in either case, delivering the completed proxy to the Transfer Agent, at the place and within the time specified above for the deposit of proxies.

REVOCABILITY OF PROXY

A Shareholder who has given a proxy has the power to revoke it. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing signed by the Shareholder or by his or her attorney authorized in writing and either delivered to the Transfer Agent at the place specified above, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof or deposited with the chairman of the Meeting on the day of the Meeting prior to the commencement of the Meeting.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Management Information Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). In the United States, the majority of such shares are registered in the name of CEDE & Co., which company acts as a nominee for many U.S. brokerage firms. Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Common Shares for the broker's clients. The directors and officers of the Corporation do not know for whose benefit the shares registered in the name of CDS & Co. or CEDE & Co. or of other brokers/agents are held. Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Corporation. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Independent Investor Communications Corporations (“**IICC**”). IICC typically asks Beneficial Shareholders to return the proxy forms to IICC. IICC then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving an IICC proxy cannot use that proxy to vote Common Shares directly at the Meeting. Beneficial Shareholders who receive their meeting materials via IICC or ADP Proxy Services (“ADP”) must return the proxy forms, once voted, to IICC or ADP well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or their broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

All references to Shareholders in this Management Information Circular and the accompanying Instrument of Proxy and Notice are to Shareholders of record, unless specifically stated otherwise.

EXERCISE OF DISCRETION WITH RESPECT TO PROXIES

The Common Shares represented by the enclosed proxy will be voted or withheld from voting on any motion, by ballot or otherwise, in accordance with any indicated instructions. In the absence of such direction, such shares will be voted FOR the resolutions referred to in items 1, 2 and 3 of the proxy.

If any amendment or variation to matters identified in the Notice is proposed at the Meeting or any adjournment or postponement thereof, or if any other matters properly come before the Meeting or any adjournment or postponement thereof, the enclosed proxy confers discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the appointed proxyholder. Unless otherwise stated, the Common Shares represented by this proxy will be voted in favour of the election of nominees set forth in this Management Information Circular except where a vacancy among such nominees occurs prior to the Meeting, in which case, such Common Shares may be voted in favour of another nominee in the proxyholder's discretion. As at the date of this Management Information Circular, the management of the Corporation is not aware of any amendments or variations or other matters to come before the Meeting.

Signature on Proxies

The form of proxy must be executed by the Shareholder or his or her duly appointed attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer whose title must be indicated. A form of proxy signed by a person acting as attorney or in some other representative capacity should indicate that person's capacity (following that person's signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with the Corporation).

Solicitation of Proxies

This solicitation is made on behalf of the management of the Corporation. The costs incurred in the preparation and mailing of both the form of proxy and this Management Information Circular will be borne by the Corporation. In addition to the use of mail, proxies may be solicited by personal interviews, personal delivery, telephone or any form of electronic communication or by directors, officers and employees of the Corporation who will not be directly compensated therefor.

In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

INTEREST OF DIRECTORS AND OFFICERS IN MATTERS TO BE ACTED UPON

No director or officer of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any other insider of the Corporation, nor any associate or affiliate of any one of them, has or has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting except as described in this Management Information Circular under the heading "Election of Directors".

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As at the date of this Management Information Circular, Twoco had 15,259,806 issued and outstanding Common Shares. Shareholders of record as of May 4, 2007 (the "**Record Date**") are entitled to receive notice of and attend and vote at the Meeting.

On a show of hands, every Shareholder present in person or represented by proxy (and entitled to vote) has one vote. On a poll or ballot, every Shareholder present in person or by proxy has one vote for each Common Share held. All votes on special resolutions (if any) will be conducted by a poll and no demand for a poll is required.

Holders of all Common Shares acquired subsequent to the Record Date and prior to the date of the Meeting are also entitled to attend and vote at the Meeting. However, if a Shareholder has transferred the ownership of any of his, her or its Common Shares after the Record Date and the transferee of those shares produces properly endorsed share certificates or otherwise establishes that he, she or it owns the shares and demands, not later than ten days before the Meeting, that his, her or its name be included in the list before the Meeting, the transferee shall be entitled to vote such shares at the Meeting.

To the best of the knowledge of the directors and officers of the Corporation, no person beneficially owns, directly or indirectly, or exercises control or direction over more than 10% of the voting rights attached to all of the issued and outstanding Common Shares as at the date of this Management Information Circular, other than as set forth below:

Name and Municipality of Residence	Type of Ownership	Number of Common Shares	Percentage of Outstanding Common Shares
Wayne A. Malinowski	Beneficial and of Record	2,819,788	18.5%

The terms and conditions of the employment contracts for each of the Named Executive Officers are identical. In the event of a termination of employment without cause, or a change of control

The directors of the Corporation do not receive any compensation as directors of the Corporation, however, they are reimbursed for all reasonable expenses incurred in order to attend meetings of the board of directors (the "**Board**") or any committee of the Board. The directors of the Corporation are eligible to receive options to acquire Common Shares pursuant to the Plan (as defined below). Stock Option Plan

Twoco established a stock option plan for its directors, officers, employees, and consultants effective July 30, 2003 (the "**Plan**"), the material terms of which were included in the prospectus of the Corporation pursuant to its initial public offering, and a copy of the Plan is attached hereto as Schedule "A." The number of authorized but unissued Common Shares that may be subject to options granted to optionees under the Plan shall not exceed 10% of the Common Shares issued and outstanding at the date of grant. Rolling 10% stock option plans such as the Plan require annual shareholder approval.

The purpose of the Plan is to provide directors, officers, employees and consultants of Twoco with an opportunity to purchase Common Shares and benefit from the appreciation thereof. This proprietary interest in Twoco provides an incentive to contribute to the future success and prosperity of Twoco, thus enhancing the value of the Common Shares for the benefit of all Shareholders and increasing the ability of Twoco to attract and retain persons of experience. The Plan is administered by Twoco's board of directors (the "**Board**") and all decisions and interpretations of the Board respecting the Plan or stock options granted thereunder shall be conclusive and binding on the Corporation and on the optionees. The Board may, at any time and from time to time, grant options under the Plan on terms and conditions to be determined by the Board from time to time, subject to the conditions contained in the Plan and subject to the policies of the TSX Venture Exchange (the "**Exchange**").

The exercise price of the stock options shall be fixed by the Board at the date of grant, provided that such price shall not be less than that permitted by any stock exchange upon which the Common Shares are then listed and posted for trading. The maximum for which stock

options may be exercisable is five years, but such term may be shortened by the Board in any stock option agreement, and all stock options will be subject to early termination in accordance with the provisions of the Plan relating to the cessation of the optionee as a director, officer, employee or consultant, either due to termination of employment or due to death or permanent disability. The aggregate number of Common Shares reserved for issuance pursuant to stock options granted to any one individual in any 12 month period may not exceed five percent of the issued and outstanding Common Shares at the date of grant. The aggregate number of Common Shares reserved for issuance pursuant to stock options granted to any one consultant or granted to employees conducting investor relations activities in any 12 month period may not exceed two percent of the issued and outstanding Common Shares at the date of grant. In addition, the issuance to any one insider and such insider's associates pursuant to the Plan and other share compensation arrangements within a 12 month period may not exceed five percent of the outstanding Common Shares at the date of grant. For more information, refer to Schedule "A" where the Plan is set out in full.

The Plan shall be administered by the Board of Directors of the Corporation or by a committee of the directors appointed from time to time by the Board of Directors of the Corporation pursuant to rules of procedure fixed by the Board of Directors (such committee or, if no such committee is appointed, the Board of Directors of the Corporation is hereinafter referred to as the "Board"). A majority of the Board, or of the committee if so appointed, shall constitute a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the Board.

Subject to the provisions of the Plan, the Board shall have authority to construe and interpret the Plan and all option agreements entered into thereunder, to define the terms used in the Plan and in all option agreements entered into thereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan. All determinations and interpretations made by the Board shall be binding and conclusive on all participants in the Plan and on their legal personal representatives and beneficiaries.

3. Shares Subject to Plan

Subject to adjustments as provided in Section 14 hereof, the shares to be offered under the Plan shall consist of shares of the Corporation's authorized but unissued common shares. The aggregate number of shares issuable upon the exercise of all options granted under the Plan shall not exceed 10% of the outstanding shares of the Corporation at the time of granting of options (on a non-diluted basis). If any option granted hereunder shall expire or terminate for any reason in accordance with the terms of the Plan without being exercised, the un-purchased shares subject thereto shall again be available for the purpose of this Plan.

4. Maintenance of Sufficient Capital

The Corporation shall at all times during the term of the Plan reserve and keep available such numbers of shares as will be sufficient to satisfy the requirements of the Plan.

5. Eligibility and Participation

Directors, officers, consultants, and employees of the Corporation or any of its subsidiaries and affiliates, and employees of a person or company which provides management services or investor relations services to the Corporation or any of its subsidiaries and affiliates ("Management Company Employees") shall be eligible for selection to participate in the Plan (such persons hereinafter collectively referred to as "Participants").

Subject to the terms hereof, the Board shall determine to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted and vested, and the number of shares to be subject to each option and exercise price therefor. In the case of employees or consultants of the Corporation or Management Company Employees, the option agreements to which they are party must contain a representation of the Corporation that such employee, consultant or Management Company Employee, as the case may be, is a bona fide employee, consultant or Management Company Employee of the Corporation or any of its subsidiaries or affiliates.

An individual who has been granted an option may, if he is otherwise eligible, be granted an additional option or options if the Board shall so determine.

6. Exercise Price

- (a) The exercise price of the shares subject to each option shall be determined by the Board, subject to any applicable approvals required by any exchange upon which the shares are then listed and posted for trading or any other regulatory body having jurisdiction as may be selected for such purpose by the Board (the "Exchange").
- (b) Once the exercise price has been determined by the Board, accepted by the Exchange, if applicable, and the option has been granted, the exercise price of an option may only be reduced, in the case of options held by insiders of the Corporation (as defined in the *Business Corporations Act* (Alberta)), if disinterested shareholder approval is obtained at a meeting of the shareholders of the Corporation.

7. Number of Optioned Shares

The number of shares subject to an option granted to any one Participant shall be determined by the Board, but any grant of options under the Plan shall be subject to the following restrictions:

9. Option Period, Consideration and Payment

- (a) The option period shall be a period of time fixed by the Board not to exceed five years from the date of grant, but may be reduced in accordance with Sections 10 and 11 with respect to any options held by a director, officer, consultant, employee or Management Company Employee of the Corporation or any of its subsidiaries and affiliates who has ceased to act as such, whether by reason of resignation, termination or death.
- (b) Subject to the policies of the Exchange, if applicable, and to any exceptions provided herein, an option shall vest and may be exercised (in each case to the nearest full share) during the option period:

The vesting schedule will be reasonably structured and equitable, and in no case will permit vesting over a period of less than 18 months.
- (c) Subject to the policies of the Exchange, any options granted to consultants performing investor relations activities must vest over a 12 month period with no more than 25% of the options vesting every 3 months.
- (d) Options which have vested may be exercised in whole or in part at any time and from time to time during the option period. No options may be exercised under this Plan until this Plan has been approved by a resolution duly passed by the shareholders of the Corporation.
- (e) Except as set forth in Sections 10 and 11, no option may be exercised unless the Participant is at the time of such exercise a director, officer, consultant, or employee of the Corporation or any of its subsidiaries and affiliates, or a Management Company Employee of the Corporation or any of its subsidiaries and affiliates.
- (f) The exercise of any option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of common shares with respect to which the option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such common shares with respect to which the option is exercised. No Participant or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any shares subject to an option under this Plan, unless and until the certificates for such shares are issued to him or them under the terms of the Plan.

expire at such time on the thirtieth (30th) day after notice of such termination is given. Notwithstanding the foregoing, in the event of termination of employment for cause, such option shall cease and terminate immediately upon the date notice of termination of employment for cause is given by the Corporation and shall be of no further force or effect whatsoever as to such of the optioned shares in respect of which such option has not previously been exercised.

Nothing contained in the Plan, nor in any option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, consultant, employee or Management Company Employee of the Corporation or of any of its subsidiaries or affiliates.

11. Death of Participant

Upon the liquidation or dissolution of the Corporation or upon a re-organization, merger or consolidation of the Corporation with one or more corporations as a result of which the Corporation is not the surviving corporation, or upon the sale of substantially all of the property or more than eighty (80%) percent of the then outstanding shares of the Corporation to another corporation, the Plan shall terminate, and any options theretofore granted hereunder shall terminate unless provision is made in writing in connection with such transaction for the continuance of the Plan and for the assumption of options theretofore granted, or the substitution for such options of new options covering the shares of a successor employer corporation, or a parent or subsidiary thereof, with appropriate adjustments as to number and kind of shares and exercise prices, in which event the Plan and options theretofore granted shall continue in the manner and upon the terms so provided. Adjustments under this Section shall be made by the Board whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional share shall be required to be issued under the Plan on any such adjustment.

The Corporation's Board, which is responsible for supervising the management of the business and affairs of the Corporation, is comprised of five directors, of which three are independent within the meaning of independent in Section 1.4 of Multilateral Instrument 52-110 Audit Committees and accordingly a majority of the directors of the Corporation are independent. In order to facilitate independent judgment, members of the Board recuse themselves from the discussion of and voting on any matters of the Corporation which may be perceived to place them in a conflict of interest. The independent directors are Richard A.N. Bonnycastle, Larry C. Mah and James A.W. Williams. The President and Chief Executive Officer of the Corporation, Wayne A. Malinowski, is not independent by virtue of being a member of the Corporation's management. The Vice President Exploration, Secretary and Treasurer of the Corporation, Timothy A. Meetings of Independent Directors

During the year ended December 31, 2006, the independent directors did not hold regularly scheduled meetings at which non-independent directors and management were not in attendance. As a "venture issuer" (as defined in MI 52-110), the Corporation is exempt from having an Audit Committee comprised entirely of "independent" members.

4. Orientation and Continuing Education

The Corporation has developed an orientation program for new directors by providing each new director with a director's manual ("**Director's Manual**") containing information regarding the roles and responsibilities of the Board, each Committee, the Board chair, the chair of each Committee and the CEO. The Director's Manual contains information regarding the nature and operation of the Corporation's business, its organizational structure, governance policies including the Board Mandate and each Board committee mandate, the Whistleblower Policy, the Corporation's code of business conduct and ethics which is available on the System for Electronic Dissemination and Retrieval (SEDAR) at www.sedar.com. The Director's Manual is updated as the Corporation's business, governance documents and policies change. The Corporation arranges for presentations to be made to the Board to inform directors regarding corporate developments and changes in legal, regulatory and industry requirements affecting the Corporation. As well, directors are encouraged to interact with management and employees and to stay abreast of industry developments and the evolving business of the Corporation.

5. Ethical Business Conduct

The Corporation has adopted a written code of business conduct and ethics (the "**Code**"). Reasonable steps to monitor compliance with the Code by requiring directors, officers and employees to sign a written acknowledgment that they have read the Code. The Code applies to the Corporation's directors, officers and employees, each of whom is expected to ensure that his or her behaviour accords with the letter and the spirit of the Code. The Corporate Governance, Environment and Safety Committee is responsible for reviewing departures from the Code by executive officers, management, employees and consultants, reviewing and either providing or denying waivers from the Code, and disclosing any waivers that are granted in accordance with applicable law. The Code also encourages contact with the Chair of the

Corporate Governance, Environment and Safety Committee regarding any perceived and all actual breaches by the Corporation's directors, officers, employees and consultants of the Code. The Chair of the Corporate Governance, Environment and Safety Committee is responsible for investigating complaints, presenting complaints to such committee and any other applicable committee of the Board or the Board as a whole, and developing a plan for promptly and fairly resolving complaints. Upon conclusion of the investigation and resolution of a complaint, the Chair of the Corporate Governance, Environment and Safety Committee will advise the complainant of the corrective action measures that have been taken or advise the complainant that the complaint has not been substantiated. The Code prohibits retaliation by the Corporation, its directors, executive officers and management, against complainants who raise concerns in good faith and requires the Corporation to maintain the confidentiality of complainants to the greatest extent practicable. Complainants may also submit their concerns anonymously in writing.

In addition to the Code, the Corporation has an Audit Committee Charter regarding the collection and dissemination of accounting information, and a Whistleblower Policy with respect to reporting accounting and auditing irregularities.

Since the beginning of the Corporation's most recently completed financial year, no material change reports have been filed that pertains to any conduct of a director or executive officer that constitutes a departure from the Code.

The Corporation's directors and officers abide by the disclosure of conflict of interest provisions contained in the *Business Corporations Act* (Alberta) which are incorporated in the Code by reference. By taking these steps the Board strives to ensure that directors at Board meetings exercise independent judgement, unclouded by the relationships of the directors and officers to each other and the Corporation, in considering transactions and agreements in respect of which directors and executive officers have an interest.

6. Nomination of Directors

The Board does not have a nominating committee and responsibility for identifying new candidates to join the Board belongs to the entire Board. The Board is responsible for identifying qualified candidates, recommending nominees for election as directors, and appointing directors to committees. The Board considers a candidate's independence, financial acumen, skills and available time to devote to the duties of the Board in making their recommendations for nomination. The Board reviews the composition and size of the Board and tenure of directors in advance of annual general meetings when directors are most commonly elected by the Corporation's shareholders, as well as when individual directors indicate that their terms may end or that their status may change. The Board encourages all directors to participate in assessing the need for and identifying and recruiting new nominees for the Board.

The Compensation Committee annually recommends the compensation to be received by the Corporation's directors and officers. The Compensation Committee is comprised entirely of independent directors. Compensation is determined in the context of the Corporation's goals, shareholder returns and other achievements, and considered in the context of position descriptions, goals and the performance of each individual director and officer. The compensation of directors and officers of competitors are considered, to the extent publicly available, in determining compensation.

8. Other Board Committees

In addition to the Audit Committee and the Compensation Committee, the Board has a Corporate Governance, Environment & Safety Committee and a Reserve Committee. The function of the Corporate Governance, Environment & Safety Committee is to recommend governance policies for adoption by the Corporation, including the Code, amend, administer and monitor compliance with the Corporation's governance policies and the Code and ensure that the written and oral communications by the Corporation to the public and applicable regulatory authorities are disseminated in a timely, factual and accurate manner and to assist the Corporation in maintaining and complying with its disclosure policy.
